Restorative Justice:

3-Day RJ Circle Keeper Trainings

- South Florida Restorative Justice Collective
 - Co-facilitated two three-day, intensive training that introduced over 30 individuals to the practice of restorative justice circle keeping in January of 2017 and March of 2018. Participants were exposed to elements of cultivating, establishing, and holding contained spaces as a means of seeking alternative solutions to punishments and sanctions currently utilized within society. Participants were immersed in the elements of the circle process, experiencing them together, in hopes that they will move forward to inspire others to challenge the status quo and seek rehabilitative and restorative means of conflict resolution.
